

## Stawley Parish Council

### Prior Notification Application 35/17/0018CQ

Prior approval is being sought for a proposed change of use from an agricultural building to a dwelling and associated operations at **Greentop Shed, Kittisford Barton**. Full details of the plans can be viewed at the following address on Taunton Deane Borough Council's website - <http://www2.tauntondeane.gov.uk/asp/webpages/plan/plappllookup.asp>. Use the reference number above to access the documents relating to this application.

The Parish Council has been asked for its comments by the planning authority, Taunton Deane Borough Council. As there are no planned meetings before the deadline for the submission of comments, any parishioners who would like to comment before the Parish Council gives its response should contact:

Charles St George – 07836 611504  
email: [charles@brookbank.me.uk](mailto:charles@brookbank.me.uk)

Please send your comments by **Friday 18th August** at the latest.

Parishioners should note that this is not a normal planning application. It is a notification to the planning authority of a permitted development which can only be refused if it does not meet the criteria for the change of use. There are therefore very limited grounds on which to comment or object. Further information is available on the following web link

<https://www.gov.uk/guidance/when-is-permission-required>
